

Sometimes we find it hard to follow the rules. Then it is important to make sure that the WE feels well again. Together with an adult, you agree on what you need to do so this can happen. For example:

- Apologize!
- Take time out to think!
- Make up for it!
- Replace what you have broken or taken away!
- Clean what you have made dirty!
- Turn in toys until you go home!

If we notice that you repeatedly fail to follow rules, we will do the following one after the other:

- Your class teacher will talk to your parents (and you).
- The principal will talk to you and your parents.
- In a meeting with you and your parents we will discuss that something has to change, otherwise you will not be allowed to come to school for a while.
- You are not allowed to come to school for some time.

## Signature/Commitment

In class, we discussed these rules.

I, \_\_\_\_\_, have understood the rules and want to follow them.

\_\_\_\_\_ (class) \_\_\_\_\_ (date) \_\_\_\_\_ (signature)

We parents have read the primary school rules and want to support our child in following them.

# WIR

**Living and learning  
together at the  
German School Nairobi**

Wherever people come together and like each other, a small WE grows. If we treat each other well, are friendly and help each other, the WE grows big and becomes stronger and stronger. If we are mean or exclude others, the WE becomes weak and sick. Our primary school rules make sure that our WE does feel well!

### We have rights!

- All students have the right to learn undisturbed.
- All teachers have the right to teach without being disturbed.
- All have the right to co-exist peacefully.
- All have the right to be treated fairly.

### We have rules!

We treat everyone with kindness and respect.  
We do not insult anyone with words.

On our school premises, we are considerate of others.

If we do not like something, we say, "stop".  
When someone says, "stop" to us, we stop immediately.

We play fair with each other.  
We let others play in peace and ask if we can join in.

We settle conflicts with words. We do not hurt anyone.

We listen to the adults in our school.

We keep rooms and toilets clean and tidy.

We leave all electronic devices and toys at home.

We are careful with our things and the things of others.  
We do not take anything from anyone.
