## How did you find out about the kindergarten at the German School Nairobi?

### Conditions of admission:

1. The registration becomes effective only after receipt of the admission fee (1st child 1,000 Euro, 2nd child 800 Euro, each additional child 400 Euro).
2. If the registration is withdrawn, please inform the German School Nairobi immediately.
3. A deposit of 1,000 Euro per child is due before the child enters the kindergarten. This can be reclaimed after the child has left the school and all outstanding payments have been settled.
4. With this registration, the legal guardians join the German School Association, the sponsor of the German School, and receive a copy of the statutes. The members of the school association elect the school board as their representation in the general meeting and also vote here on school and other fees. Only through the active involvement of the parents can the German School Nairobi maintain and further develop its position as a German-speaking educational institution in East Africa.
5. For deregistration, the appropriate form must be filled out (available on the homepage or at the reception); a cancellation/deregistration period of 6 weeks to the end of the respective school semester applies.

I / We confirm that I / we have understood the prevailing rules of the German School Nairobi in their relevant version. We agree to our data being passed on to other parents / teachers.
